

## Episode 61: Let Me Fill You In and Pronunciation Tips

Jim: Hey Bill, you **got a sec**. I need to **fill you in on** what we discussed during the team meeting this morning.

Bill: Sorry, today is **bad for me**. I am going to be **in and out** of the office all day. I don't think I have any time **to spare**.

Jim: Look, seeing a client is only **half the battle** in this business, you need to familiarize yourself with the **fine points** of the services we offer. This will help you, when you **plug** our services to potential customers.

Bill: Jim, I need to be uptown in twenty minutes. I'll **make time** after lunch.

Jim: That sounds good. By the way, I have been **mulling over** your proposal regarding the hotel project. I got to be honest with you, I like it. There are just a couple of points that I need you to **clarify** for me.

Bill: See you at 1 P.M.
